

NEOK ASHRAE chapter's presidents.

David Buxton served as the chapter's **forty-second president in 1990/91**. Upon graduation from Oklahoma State University, David went to work for Butler Associates, Inc. in Tulsa. In 1980, David joined the staff of Murray-Jones-Murray Engineers, which is now known as Consulting Engineers, Mechanical, Electrical, Energy Consultants, Inc. (*Life Member*)

Dan Moffett served as the chapter's **forty-third president in 1991/92**. Dan grew up in Jenks Oklahoma, then attended Wichita State University and graduated with a BSME in 1984. He joined Johnson Controls as a Sales Engineer. In 1995 he joined Controls Systems International (Schneider Electric) where he is still employed. Dan joined ASHRAE in 1985 and while serving as president the chapter grew to over 187 and the current yellow badges for past president was started.

John Evans served as the chapter's **forty-fourth president in 1992/93**. John is a native Tulsan, graduating from Tulsa Central High School, and attending Oklahoma State University. He started his HVAC career with The John Zink Company, working nationally with their sales representatives in 1973. He worked for the O'Connor Company until 1986 and then went to work for AES of Tulsa (Carrier Air Conditioning Distributor). AES was bought out by Carrier and John is now the Commercial Sales Manager for the Tulsa branch.

Ron Huntley served as the chapter's **forty-fifth president in 1993/94**. Ron grew up in Tulsa, graduating from the University of Tulsa with a BABA and BSAS. He served four years in the USAF as a Launch Officer on a Minuteman Missile Crew after college and was released from active duty as a Captain. He began his HVAC career in 1980 working as a Territory Manager for a major manufacturer of heating and air conditioning equipment. Ron joined PSO in 1986 as a Commercial Marketing Consultant. Ron was awarded the *Golden Gavel*.

Terry Rowe served as the chapter's **forty-sixth president in 1994/95**. Terry was discharged from the US Army in 1971 and went to work for ONG. After completing his education, he was transferred to Woodward in the early 80's as an Area Marketing Manager. In 1986 he came back to the Tulsa office to work for Chuck Callahan. Terry retired from ONG in 1997 and went to work for CSI, which is now Schneider Electric. Terry also retired from the US Army Reserve at the rank of Major.

Howard Godfrey served as the chapter's **forty-seventh president in 1995/96**. Howard was the owner of G & G Controls and represented and installed control systems throughout his career. He was a long-time member of NEOK chapter of ASHRAE.

Mark Hixon served as the chapter's **forty-eighth president in 1996/97**. Mark Hixon attended the University of Kansas, graduating with a degree in Mechanical Engineering in May of 1976. He started working for CONOCO's engineering group in Ponca City Oklahoma upon graduation. Mark attended post graduate classes at Oklahoma State University during his work at CONOCO. In 1982 Mark moved to Broken Arrow Oklahoma as the

department head of the Engineering Department at St. Francis Hospital in Tulsa where he worked for 12 years. He worked for a brief period at Honeywell as a Performance Contracting Engineer (6 years) then an even shorter period at St. John Hospital in Tulsa. In 1999 Mark took a position as a Regional Manager with the Asset Services Division of CBRE where he managed building operations in a 14-state region. Mark then moved to the Global Corporate Services Division of CBRE as an Energy Engineer doing energy audits throughout North America. Mark has been a member of ASHRAE throughout his career serving as Secretary in 1994 President Elect in 1995 and as President of the NEOK chapter in 1996 when the NEOK chapter won the Region VIII *Golden Gavel* award. *(Life Member)*

Mary Bowers served as the chapter's **forty-ninth president in 1997/98**. Mary started her HVAC career with R&B Equipment Co. in 1980. She opened the Tulsa office of R L Williams in 1989, and later worked for Tulsa Supply. John Oliver persuaded Mary to join the Tulsa branch of Airetech in 1995, working her way up to branch manager. Mary joined ASHRAE in 1989. When Mary moved up as a chapter officer, her year as president NEOK won the newsletter award at CRC and again the next three years. Mary served as one of CRC Newsletter judges. She has been highly active in our chapter until her retirement.

Gene Redford served as the chapter **fiftieth president in 1998/99**. Gene joined the US Army after high school in 1959 and served until 1962. Gene went to work for Jack Tumilty after the Army and became a member of ASHRAE in January 1968 while working for Jack Tumilty. Gene worked for Collins Engineering from 1962 to 1973 and joined Natkin & Co. as a project manager. In 1979 Gene joined Natkin Service where he stayed until 1994. He rejoined Natkin Service as District Service Manager until York International took over all the Natkin Service branches, and he retired in 2005. In 2007 Gene went back to work and joined McIntosh Service as an Account Manager. Gene has been involved in the NEOK chapter in many positions over 50 years. He received the chapter service award and was awarded the *Golden Gavel* as President. Gene has been the chapter historian since 2009. *(Life Member)*

Keith Browne served as the chapter **fifty-first president in 1999/00**. Keith was born in Springfield MO and graduated from the University of Missouri in 1971 with a MSME. He started his career with Black & Veatch Consulting Engineers in KC where he stayed for 5 years.

Keith and his wife Debbie moved to Tulsa in 1977 where he joined Penafeather & Lee Engineers and soon became a principal in the firm and became known as Lee & Browne Consulting Engineers. He has served in many capacities in ASHRAE plus being awarded the *Golden Gavel* his year as president. Keith was instrumental in starting the Jack Tumilty Scholarship for high school seniors interested in engineering. (*Life Member*)
