

## NEOK ASHRAE chapter's presidents.

**Mike Beda** served as our chapter's **fifty-second president in 2000/01**. Mike became a member of ASHRAE in August 1973, and is a Life Member. He has a BS in Engineering from Iowa State in 1969 and a PE in Oklahoma. Mike worked for Marley Cooling Tower Company until 1972 when he joined Process Equipment in Oklahoma. Mike worked his way up to president of Process Equipment until the company sold to Marley. Mike still works for the new company in sales. Between the Central Oklahoma Chapter and NEOK Chapter of ASHRAE and Region VIII, Mike has served in about every capacity of ASHRAE. He has received Exceptional Service Award, Distinguished Service Award and was a *Golden Gavel* President while serving in Central Oklahoma chapter. (*Life Member*)

**Bill Hanlon** was the chapter **fifty-third president in 2001/02**. Bill graduated from OSU in 1971 with a BS in Psychology. He married his wife Sara in June 1971, and they have one daughter. Bill worked in the HVAC industry until he founded Pneutech Systems in 1988. As the company grew, he merged with Ed Williams and then Bill decided to move to Wisconsin. Bill had a successful year as our chapter president and was another one of our *Golden Gavel* Presidents.

**Bob Allwein** served as the chapter **fifty-fourth president in 2002/03**. Bob worked in the family business then served in the US Army from 1960 to 1963. He went back to school and graduated from OU in 1970 with a BSME in Mechanical Engineering and a PE in the state of Oklahoma. Bob work career includes, Southwestern Bell, Davis & Rountree, Bergoust Engineers, and ONG where he retired. He joined ASHRAE in January 1970 and has served in many positions earning Chapter Service Award, Jack Thompson Award and was a *Golden Gavel president while in Central Oklahoma Chapter. (Life Member)*

**Cary Pestel** served as the chapter **fifty-fifth president in 2003/04**. Cary became a member of the Northeastern Oklahoma Chapter of ASHRAE in 1997. He is a graduate of the University of Tulsa in 1985 with his B.S. in Business, Finance. Cary ran track for the University and was Captain of the Men's Track and Field team in 1984. He has been married to the same beautiful woman since 1985 and has two daughters of which he is extremely proud. Cary started his HVAC career at RAE Corporation as a HVAC Coil Sales Engineer in 1993. Boone & Boone Sales was hired as a local representative and Cary moved to a manufacturer's representative role in 1997. As the Boone brothers looked to retirement Cary purchased and is currently the sole owner of Boone & Boone Sales representing Bell & Gossett and other prestigious product lines in Oklahoma and Arkansas. Cary served as President of the Northeastern Oklahoma Chapter of ASHRAE and received the Presidential Award of Excellence with the Star Award Special Citation in 2004.

**Steve Johnson** served as the chapter **fifty-sixth president in 2004/05**. Steve joined ASHRAE in December 1993. Steve's career started with Natkin & Co. in 1973 after graduating from Tulsa Central High School. He was with Natkin until they sold in 2001, when he joined Omni-2 from 2001 to 2004. Steve joined McIntosh Service in 2004 heading up their mechanical department until 2016. Steve moved to OCE Mechanical as Senior Project manager until his retirement in 2020. He has held several positions in the NEOK ASHRAE chapter, including Chapter Officers, CRC Delegate and Board of Governors. Steve was Region VIII Newsletter Rookie of the Year in 2004 and has received the Chapter Service Award. (*Life Member*)

**Joel Karstetter** served as our chapter's **fifty-seventh president in 2005/06**. Joel is a native of Tulsa and graduated from OU in 1984 with a Mechanical Engineering degree. Dave Righthouse recruited him to join Johnson Controls in 1984 where he stayed until 1998. Dave was one of three founders of ABS controls and recruited Joel once again to join ABS. One of the founders passed away and Joel purchased those shares of stock to become the Tulsa Branch Manager. Joel was awarded the *Golden Gavel* for his year as president of our chapter.

**David Lam** was the chapter **fifty-eighth president in 2006/07**. Dave joined ASHRAE in 1995. He was born in Kansas City MO and his parents moved to Tulsa when his dad Ray Lam, former past president of our chapter. After graduating from the University of Kansas in 1988 he moved to Massachusetts working for WSI Corp. until 1991. Dave returned to Tulsa and went to work for Russell Plumbing Co. from 1994 to 2003. He joined Omni-2 in 2003 as a project manager and now is Operations Manager.

**Nancy Mack** served as the chapter **fifty-ninth president in 2007/08**. Nancy graduated from OSU with a Mechanical Engineering degree. She went to work for Powers of Oklahoma where she worked until they were bought out. Mary was our chapter's second woman president and decided to leave the industry after her first child was born. Nancy received the chapter *Golden Gavel* award.

**Dan Owens** was the chapter **sixtieth president in 2008/09**. Dan graduated from OSU and worked in the restaurant industry for several years before joining up with his father in the HVAC industry. Dan has been with McIntosh Service since 1998 and is now CEO of McIntosh Corp. Dan is one of four sons who have followed their father to become president of our chapter.

**Chuck Mayfield** served as the chapter's **sixty-first president in 2009/10**. Chuck started with The Trane Co. in 1992 as outside sales in the OKC branch. In 1996 he joined Governair until 1998 when he moved to Nashville TN to work for Tom Barrow Co. a large independent

manufacturer rep. In 2003 EEI offered him a chance to move back to Oklahoma. Chuck joined ASHRAE in 1993 and after multiple positions in the chapter he moved up as our 61<sup>st</sup> president. Chuck won the Geronimo Quintanilla Award for Region VIII best Chapter Newsletter.
