PRESIDENT'S MESSAGE

By Matt Simmons

We are quickly approaching our last Chapter meeting for the 2023-2024 NEOK ASHRAE season. At our May's chapter meeting, we will be introducing our new officers who are gearing up to lead our chapter into the next season. This will be after our summer break. It has been an honor to have had the opportunity to serve this season as your chapter president, and an even greater honor to have had the opportunity to work with such a great team of officers, Chairs, Board of Governors, and all the volunteers that made this such a successful season. It truly takes a team to keep making everything possible. We have so many great members willing to volunteer their time and effort which benefits ASHRAE and our local industry. This season, our team was able to accomplish a great 75th-anniversary GALA that was so much fun, held our first joint HVAC and Plumbing Expo in Tulsa with ASPE, consolidated our chapter's historic artifacts, had another successful pair of Golf tournaments, held several YEA events, Student activities, several informative and engaging technical presentations, and several other events. Again, thank you to our Chapter officers and members for a great season. Please join the upcoming chapter meeting to recognize the transition of our officers. I look forward to seeing you there.

As I step aside to a supporting role to our next seasons Officers and Chairs, I look forward to another great season. The most notable thing to look forward to for next season is in about 1 year from now, we will be hosting the ASHRAE Region 8 Chapter Regional Conference here in Tulsa. This will be a great opportunity to Highlight both our chapter, our supporters, and our city to other chapters in our region. I look forward to showing both, what a great industry we have here in Tulsa, and what Tulsa has to offer in general. I know that our Chapter members are eager to step up and support our Chapter in putting on a Great Conference. This will be a great opportunity to network with all our fellow ASHRAE members from our region. Again, keep your eye out for more information throughout the upcoming 2024-2025 NEOK ASHRAE season from our CRC planning team about opportunities to get involved for this event.

Sincerely,

Matthew Simmons

UPCOMING EVENTS

- May 1st

May Meeting /
Wednesday / 11:30 AM
12:30 PM. Tulsa Country
Club.

- May 9th

BOG Planning Meeting /
Thursday / 11:30 AM
12:30 PM. Location TBD.

CHAPTER TECHNOLOGY TRANSFER/PROGRAMS

By Michael Floyd

Thank you to everyone that was able to make it for our April ASHRAE meeting! I hope everyone found Wayne Allen and David Adcock’s presentation over the Oklahoma Uniform Building Code to be very useful. I’d like to thank both Wayne and Davit for being willing to take time out of their busy schedule to present at our chapter’s April meeting.

For our next chapter meeting, we’ll be hosting Nathan Kegel. Nathan will be speaking on “Role Buildings Play in Energy and Carbon”. Nathan has over 20 years of design and building performance simulation experience using a variety of design and modeling tools and platforms. He has performed design and post-occupancy analysis on hundreds of buildings and dozens of building types all over the world. He has built and led High Performance Design Teams, trained over 1,000 industry professionals on using and applying building performance simulation to the design process, and was the coach and captain of the ASHRAE Low-down Showdown 2022 winners. Currently, he trains building design professionals in how to apply performance simulation and calculations of all types to the building design process. He is ASHRAE BEMP certified, a LEED AP, and a RESET AP and serves as the co-chair of the Data Analysis and Reporting Working Group for MEP 2040.

HONORS & AWARDS

By Mike Beda

The Region VIII CRC in Dallas is history. I hope many of you had a chance to attend the meeting. To recap this year, Honors & Awards Committee submitted 2 nominations for Chapter Service Award. Our Delegate and Alternate to the CRC presented these at the Business session on Saturday afternoon. They were voted upon and will be sent to Society by the Regional Nominating Committee. We will know the results of each award next Spring at the Tulsa CRC. This year we also honored 1 individual with the Chapter Hall of Fame Award in March. Congratulations to Michael Beda this year. I thank you for this prestigious award! We will keep you updated on the awards presented at the Dallas CRC in the next newsletter.

Mike Beda can be reached at 918-706-8309 or mikebeda1945@yahoo.com

RESEARCH PROMOTION

By Chad Marazas

We are currently at 133% of our PAOE goal and have raised \$13,870 (75%) of our \$18,420 goal. We expect to be very close to our goal after the Par 3 fundraiser and we appreciate all those that attended.

We still have a few donor coins to hand out at the May meeting. Donations are due by June 15th, so please donate if you can help. We would like to recognize DS Herron for their continued support and generous donation to RP. Please feel free to contact me with any questions you have regarding donations to RP.

Please help us support ASHRAE research by making your donation today! Donations may be made in person, by mail, or online at the link below.

STUDENT ACTIVITY

By Sam Arain

Thank you for a great year! As the school year comes to a close, we are planning a plant tour of AAON. Please stay tuned for details.

This month we announced the winners of the NEOK ASHRAE. Please join me in congratulating Lillian Madhan and Tim Rutledge! ”

Best regards,

Sam Arain

MEMBERSHIP PROMOTION

By Colin Bjostad

NEOK ASHRAE is comprised of building operators, engineers, contractors, manufacturers, and manufacturer's reps. We've seen a great deal of growth in our ASHRAE chapter this year, but we would still like to engage more people on the contracting side of the industry to better round out our group. (See the image below from our Par 3 Golf Event).

If you know a contractor that may be interested in ASHRAE membership, please invite them to the next chapter meeting or shoot them the following link:

https://join.ashrae.org/

Join ASHRAE

GOVERNMENT AFFAIRS

By Chad Smith

What a great year it has been for Government Affairs in our chapter. Following up our great visit to the Capitol in March, we were honored to have members from the Oklahoma Uniform Building Code Commission (OUBCC) join us for a chapter meeting. Both Wayne Allen (committee licensed Mechanical PE) and David Adcock (Executive Director) presented at our meeting about the OUBCC, it's roles and responsibilities and also how NEOK ASHRAE can assist the commission to have input on legislation impacting our industry.

David also gave us updates on legislation we had advocated for during our Capitol visit. Specifically HB 3819 that had language creating issues to adopt updated energy codes on commercial and institutional buildings. The language that was added on had come at the request of the Oklahoma Home Builders Association, but the general language would have treated commercial buildings the same as single family residences. In part through some of the discussions we had at our Capitol visit, we had commitments from the House that the language would be amended to have the energy code restrictions only apply to "single family residences". The bill was passed out of the House without that clarifying language, however, once it made it to the Senate, the clarification was added to clarify the intent of the bill.

As the GAC chair, I strongly urge our member to reach out to their State Senator and ask them to vote YES on HB 3819 as it has been amended to fall in line with ASHRAE's positions.

Thank you to all chapter members who participated in GAC this year and the work doesn't stop. We look forward to working together with our legislators next year!

HISTORY

By Steve Johnson

Region VIII Chapters Regional Conferences – Hosted by Northeast Oklahoma Chapter-069

This month I wanted to highlight our Chapter’s history in hosting five (5) previous CRCs for our region. This past April, President Matt Simmons and President-Elect, Austin Barton represented our Chapter in Dallas, TX. Tulsa will again host Region VIII DCRC in April of 2025. Dan Owens is CRC Chairman and is supported by Chad Smith and LeAnna Reynolds in his planning for this prestigious event. Please support Dan and his committee where possible and thank him for his diligence when you see him. The Tulsa Hosted CRCs are listed below along with available information of when, where, and who was involved.

1965 – Was held on April 22 and 23rd, 1965 in Tulsa, OK. (Regional CRC Meeting Minutes were not available to provide much detail on this event.) CRC Chairman was **Jack Tumilty** and **Leslie Bury** was NEOK Chapter President.

1976 – Was held on April 29 through May 1, 1976, at the Sheraton Skyline East Hotel in Tulsa, OK. CRC Chairman was **Jack Tumilty**, **Ray Lam** was Recording Secretary and **Ed Teis** was NEOK Chapter President. The highest-ranking Society Officer was **President William J. Collins** who was joined by seven Society Officers. Director and Regional Chairman was **Emil E. Friberg**. NEOK Delegate was **Sid Simon with Harold Jones** serving as Alternate. **Jack Tumilty** announced that total CRC registration was 270 (109 ladies and 161 men).

Events:

- Thursday Golf Outing.
- Men’s Luncheon was held with 90 members in attendance. The speaker was Mr. Hatt speaking on energy requirements, consumption, and energy sources along with projections through 1990.
- Technical session 1: “Wind as a Source of Energy” Presented by Mr. Jerald D. Parker, Professor of Mechanical and Aerospace Engineering at Oklahoma State University.
- Technical session 2: “Nuclear Electrical Power Generation” Presented by Dr. John Zink, Supervisor of Nuclear Engineering at Public Service Co. of Oklahoma.
- Six Workshops were offered and well attended.
- Technical tour of Oral Roberts University.
- President’s Luncheon - Sid Simon presented awards from the golf outing. Herb Streater accepted PAOE award for NEOK (5th year). Jack Tumilty was presented with the Regional Award of Merit.

1987 – Was held on April 30 through May 2, 1987, at the Hilton Inn in Tulsa, OK. CRC Chairman was **Joe Tucker**, **John Weller** was Recording Secretary and **Bill Boone** was NEOK Chapter President. The highest-ranking Society Officer was **President William J. Collins** who was joined by two Society

Steve.johnson55@cox.net

HISTORY

By Steve Johnson

Officers. Director and Regional Chairman was **Tino Mendez**. NEOK Delegate was **Sid Simon with Chick Morse** serving as Alternate.

Events:

- Thursday Golf Outing.
- Mike Beda, Region VIII Membership Chair gave the Membership report.
- Ron Spencer gave a presentation regarding the “R” in ASHRAE.
- Sid Simon presented the Chapter Report.
- Richard Shoemaker has reconstructed Chapter history which had been destroyed.
- NEOK made a motion to host the 1998 CRC to coincide with their 50th anniversary. This was moving up one year from what would have been “normal” rotation. Motion passed.
- PAOE – Premier, Star was awarded to NEOK.

1998 – Was held on April 24 through April 26, 1998, at the Doubletree Warren Place in Tulsa, OK. This is the 50th Anniversary of the NEOK Chapter. CRC Co-Chairs were **Jack Tumilty & Chick Morse**. **Nelda Criswell** was Recording Secretary and **Mary Bowers** was NEOK Chapter President. The highest-ranking Society Officer was President-elect **George Jackins** who was joined by two Society Officers. Director and Regional Chairman was **Leo Stambaugh**. NEOK Delegate was **Howard Godfrey with Mark Hixon** serving as Alternate. **Jack Tumilty** was named as new Region VIII Historian. Total CRC registration was 245 (63 ladies/guests and 182 members).

Events:

- NEOK Delegate, Howard Godfrey announced that this was the first year for a **Woman Chapter President, Mary Bowers**.
Presidents Luncheon on Friday.
- The technical session was presented by Fred Otsby on “El Ninjo, Scientific Viewpoint on Current Issues in Climatology”.
- Frank Keating, Governor of Oklahoma made remarks at luncheon.
- Nine Workshops were offered Saturday morning.
- PAOE – Premier, Special Citation was awarded to NEOK.
Ron Spencer, Chapter Historian was awarded Gold Ribbon.

HISTORY

By Steve Johnson

2012 – Was held on April 27 through 28, 2012 at the Doubletree Warren Place in Tulsa, OK. CRC Co-Chairs were **Keith Browne & Dan Owens**. Paul Roberts, NEOK was Recording Secretary and **Mike Kirk** was NEOK Chapter President. The highest-ranking Society Officer was President-Elect, Tom Watson who was joined by two other current and two prior Society Officers. Director and Regional Chairman was John Harrod. NEOK Delegate was **Rob Teis with Mike Kirk** serving as Alternate.

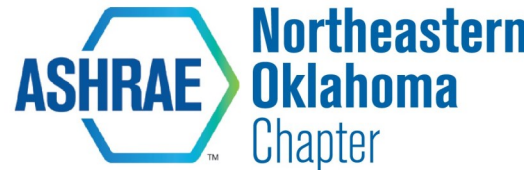

Events:

- Thursday Golf Outing at LaFortune Park.
- There was also a 5K run.
- Region XIII Awards Luncheon was held Saturday at 1:00 PM.
- Tim Wentz, ASHRAE Vice President, Presented “ASHRAE Members....Shape Tomorrow’s Built Environment Today.”
- Guest events included a cooking demonstration and a Philbrook tour.

Planning for 2025: Region VIII CRC will be held on 04/25/2025 at the Hyatt Downtown Hotel April 24th to the 26th.

- Planning is underway and currently includes a Thursday reception at WellTown Brewery and a Dine Around Tulsa Friday night.
- We are looking forward to a wonderful Region VIII 2025, Tulsa CRC.

Remember to forward me any information you have for the history of our chapter.

Tumilty Scholarship Update, Thank You!

We were honored to have the opportunity to recognize not one, but two, outstanding seniors as winners of the 2024 Jack Tumilty Memorial Scholarships. As a way to honor the memory of the scholarship’s namesake, Jack Tumilty, a member of the NEOK ASHRAE chapter Hall of Fame, we award this scholarship each year to graduating seniors who are choosing to pursue a degree in Mechanical Engineering. This years winners were:

Eric Holmes – Metro Christian Academy

We enjoyed having Eric and his father Rick join us so we could highlight Eric’s accomplishments during his high school career. Some of the highlights include his leadership positions in both MCA academic and athletic clubs and teams as well as serving in leadership roles in The Little Lighthouse Student Executive Board and Carnival volunteer. He has been on the Headmaster’s honor roll throughout his entire high school career. Eric will be pursuing his ME degree at Oklahoma State University this fall.

Avery Dodson – Holland Hall

Avery and her mother Suzanne also joined us as we highlighted Avery’s many interests and accomplishments during her early years and high school career. Avery has been involved in civic and philanthropic interest during her years in the Girl Scouts. She is a Gold Award (think Eagle Scout equivalent) winner and had the opportunity to lead a robotic team that secured 2 patents and had the opportunity to display their robot at the White House and meet President Obama. She would like to be involved in cutting edge technologies, possibly working for one of the National Laboratories. Although I am biased and heart broken that decided not to attend Tulsa University, Avery has a fantastic opportunity pursuing her ME degree at Colorado School of Mines in Golden, CO this fall.
